

BRENMOOR

leading patient identification solutions

electronic
catalogue

brenmoor.com

BRENMOOR aim to not just meet expectations, but aim to exceed them.

BRENMOOR are market leaders for patient Identification solutions, offering innovative, and often patented product, designed with a specific application in mind.

All products are manufactured in the UK and exported to partners and hospitals all around the world.

BRENMOOR create specific solutions that help improve hospital efficiency, increase patient safety, and reduce costs.

Misidentified patients, blood products and samples can cause serious harm and time issues for hospitals. Partner with BRENMOOR and help reduce these errors.

BRENMOOR's reputation has been built on innovation, service, quality, and price.
